

IMG_7442.jpeg

IMG_7443.jpeg

A close-up photograph of the center console of a 2015 Ford Focus. The gear shifter is a black leather-wrapped automatic shifter, currently in the 'P' (Park) position. To the left of the shifter is a handbrake with a silver-colored release button. Above the handbrake is a 12V power outlet. The center console is black with silver accents. The SYNC logo is visible on the upper part of the console. The background shows the black leather seats and the dashboard area. A large, semi-transparent watermark 'FordFocus.ru' is overlaid diagonally across the image.
