A photograph of the engine compartment of a vehicle. The central feature is a large, dark grey plastic engine cover with the word 'ECOTEC' embossed on it. To the left of the engine cover is a large, pleated air filter housing. To the right is a black battery with a red positive terminal cap. Various hoses, wires, and other engine components are visible. A large, semi-transparent watermark is overlaid diagonally across the image. At the bottom of the image, there is a small rectangular label with text and symbols, including a warning icon and the word 'CAUTION'.
