IMG_9848.jpeg

A close-up photograph of the center console of a 2015 Ford Focus. The gear shifter is a black leather-wrapped automatic shifter, currently in the 'P' (Park) position. To the left of the shifter is a black panel with a digital display showing 'P R N D' and a 'SPORT' button. Below the shifter is a handbrake with a silver 'P' button. The center console also features a large circular infotainment knob with a silver ring, surrounded by buttons for 'NAV', 'PUSH', and 'VOL'. The surrounding area includes black plastic trim and a portion of the driver's seat. A large, semi-transparent watermark is visible across the image.
