A close-up photograph of a car's instrument cluster. The central feature is a tachometer with a black face, white markings, and a red needle pointing to approximately 1000 rpm. The text 'x1000rpm' is printed in the center. A green 'ECO' indicator is lit. To the right is a digital display showing 'P' for park, 'AVG. 41 km/h', and a total mileage of '145116 km'. Several warning lights are illuminated, including a red engine light, a red battery light, and a yellow oil pressure light. A large, semi-transparent 'Entrepreneur' watermark is overlaid diagonally across the image.
