

IMG_7340.jpeg

A close-up photograph of the center console of a 2015 Toyota Camry. The image shows the climate control system with two circular dials for temperature and fan speed, and a row of buttons for various functions including front and rear defrost, A/C, and recirculation. Above the climate controls is a hazard light button and a display showing 'PASS AIR BAG OFF'. Below the climate controls are two 12V power outlets and a USB port. The gear shift lever is visible in the foreground, and the handbrake is partially visible on the left. The dashboard and air vents are visible at the top of the frame.
